## Pet Sitter Sleepover Guidelines

We strive to maintain your pet's day-time and night-time routines. Please let us know what makes your pet happy and we will do our best to accommodate his/her needs.

Please review the following information regarding sleepover reservations:

- At your home for a minimum of 12 hours per overnight from 7pm to 7am
- In addition to the following:
  - Feeding (morning and/or evening)
  - Mid-day visit
  - Medication administration, if applicable
- Home Environment
  - Lock/Alarm - Key and, if required, alarm will be tested at least 24 hrs before reservation start date
  - Temperature - range of 65-74°F (temperature most comfortable for your pet)
    - Note: Air-conditioning must be available in warmer weather
- Sleeping accommodations - Pet
  - Where does your pet sleep - on floor, on owner's bed, in crate? (Two of my dogs love their crate (they nap together), the other dog prefers the top of the crate.)
  - Does he/she have a specific bedtime routine? A specific bedtime? A special toy?
- Sitter Home Accommodations / Responsibilities
  - Comfy bed (or other reasonable sleeping accommodation)
  - Sitter will strip bed on last day of reservation
- The following are not required but will enable the sitter to spend more time at your home with your pet:
  - Internet access
  - Kitchen privileges - Refrigerator/freezer and microwave
- Other agreed upon tasks - bringing in the mail, watering plants, etc.
- Rate: \$75 / calendar day
- Add \$15/day for each additional dog cared for in the household
- Add \$5/day for each additional pet (non-dog) cared for in the household
- Servicing Waltham, Lexington, Arlington, and Winchester
