Pet Sitter Sleepover Guidelines

Please review the following information regarding sleepover reservations:

Rate: \$80 / night

We strive to maintain your pet's daytime and night-time routines. Please let us know what makes your pet happy and we will do our best to accommodate his/her needs.

Hours

Maximum overnight shift is 10 hours (**9 pm to 7 am**)

The sleepover shift includes:

- Feeding (morning – before 7am)
- Walk (in am)/Potty break (in pm) for dogs
- Medication administration
- Playtime (as appropriate)

Daytime Visits

- For dogs, a minimum of one midday visit is required and is billed at the standard visit rate.
- Additional visits throughout the day can be reserved as needed.

Home Environment

- A key to the home will be provided.
- If an alarm system is in place, it should be tested 24 hours prior to the visit.
- Temperature - range of 65-74°F (temperature most comfortable for your pet)
- Air-conditioning must be available in warmer weather

Sleeping accommodations for pet

- Please let us know where your pet likes to sleep (on floor, on owner's bed, in crate?)
- Does he/she have a specific bedtime routine? A specific bedtime? A special toy?

Accommodations for sitter

- Comfortable bed (or other reasonable sleeping accommodation)
- Sitter will strip bed on last day of reservation if requested
- Internet access
- Kitchen privileges - Refrigerator/freezer and microwave

Other agreed upon tasks

- Bringing in the mail, packages (small), watering plants, etc.
